

St Helena's Church of England Primary, Willoughby
NO-SMOKING POLICY including E cigarettes and Vaping

Introduction

Second-hand smoking, breathing in other people's tobacco smoke, has been shown to cause cancers, heart and respiratory disease in non-smokers.

Health Improvement and Protection Act 2006, states that from July 1st 2007 all enclosed work places would need to be smoke free.

The Health and Safety at Work Act 1974, places a duty on employers to provide a working environment that is:

'Safe, without risks to health'

St Helena's C of E Primary School acknowledges that second-hand tobacco smoke is both a public and work-place health hazard and has therefore adopted this no smoking policy:
