

## Sports Premium Strategy 2019-20

As St Helena's CE Primary School we will receive £17,120 for this academic year to spend on Sports and Physical Activity.

The funding will improve Physical Education and Games for All and will be surveyed by Ofsted at the end of the year.

During 2019/20 our overall aim is to broaden children's experiences and for them to enjoy success in sports competitions. We have used the sport premium so far to make sure all our staff are confident delivering every aspect of physical activity, improving children's skills and increasing out of school participation; this will continue throughout this academic year too.

The funding has allowed for the continued use of specialist PE teachers and support from JB Coaching. ([www.jbsportcoaching.co.uk/services](http://www.jbsportcoaching.co.uk/services)) They have a deep understanding of sports across the primary age, demonstrating differentiated and progressive sessions where children are physically active over 95% of the time.

We have also been fortunate to employ a Sports Apprentice this year who will enrich the provision across the school day, be an active role model to all our young people and deliver many sports during out-of-hours childcare hubs.

### Expenditure:

- £3800 – Services of JB Coaching, offering professional development in PE and Games, children's coaching across a wide range of physical activities and after school club.
- £5180 - Sports Apprentice in school 8:30-4:30 Monday, Wednesday, Thursday and Friday. On a Tuesday, he attends college to work towards NVQ4 in Sports Coaching
- £2724 – Sports Lead to co-ordinate and evaluate Sports Provision in our school and across the Locality, ensuring our children have access to many inter-schools' competitions and workshops in as many disciplines as available
- £1000 – Silver Package Membership to the Skegness Sports Partnership Competition Package
- £1500 – Transport costs for children to be able to attend out of school competitions and workshops
- £3492 – Playground Visual Screen showing physical activity games and Healthy lifestyle clips for the children and families to enjoy in breaktimes and at home
- £3000 – Funds to replace well-loved, well used apparatus across the school

PE and Sport Premium Key Outcome Indicator	Impact	Actions to achieve outcomes	Actual Impact (following Review) on pupils	Sustainability Next Steps
The engagement of all pupils in regular physical activity	Increased participation in exercise by all children All children can talk about a	All teachers to ensure that 30 minutes minimum of physical activity is taking place when not PE days e.g. using 5 a day, morning run, physical Maths and		

	sport they enjoy	<p>English lessons, lunch time clubs and after school clubs</p> <p>Increase in varied playground equipment to encourage independent physical activity during break times and lunchtimes</p> <p>Sports competitions to create buzz of sport around school for ALL children. Sport Ability activities to engage less active, reluctant children.</p>		
Increased awareness of the importance of PE for health, well-being, fun and social activity	All children can explain how to maintain a healthy lifestyle	Provide a range of sports clubs to support enrichment and academic achievement using coaches from JB sports, other external providers and our Sports Apprentice
