“Together, We Strive for Excellence”

The Government has given all schools some extra funding to support children who are Looked After or eligible for Free School Meals and children whose parents are in the Armed Forces. For our school, this Pupil Premium Funding amounts to £14,240. We are expected to use this money to raise children’s academic, social and personal achievements. Our spending to target these achievements is outlined below for this year 2012 - 2013, which Pupil Premium funding has contributed towards. The governors will regularly review the impact of this expenditure for the targeted pupils. Please come and talk to either Mrs Brough or myself for any further detailed information.
